

PRINCE EDWARD FIREFIGHTERS ASSOCIATION

## **Firefighter Level 1 Field Training - 2016**

That time of year again. We are looking for those who plan to take Firefighter Level 1 Field Training this March. Planning is now underway, and we require knowing those who plan to attend.

1. If you have completed your classroom training from other years and want to participate in the Field Training this year, or if you have to complete your Field Training from other years, please contact us with this information.
2. If you plan to challenge the classroom training, and participate in the Field Training this year, please contact us with this information.
3. If you are attending the classroom training sessions this winter, this information will be obtained from you in the classroom, no need to respond to this memo.

If this applies to you, please contact the PEI FFA Training Centre at **info@peiffa.com** with your desires.
